Dear Valued Customer,

Greetings from Gateway Rail.

This is to inform you that road transport movement to and fro our ICD – Garhi Harsaru is adversely effected on account of heavy traffic jam in Gurgaon due to heavy rainfall in DEL/NCR. Please find attached news detailing the effects in and around Gurgaon city.

Hence, there may be delays in delivery of empty containers for export stuffing as well as Import containers. We request you to plan your container movements accordingly.

We will try to give service wherever feasible by closely monitoring the situation. Anticipating your kind co-operation and understanding in this regard.

Best Regards,
Customer Service Desk
